In the Monti neighbourhood, very close to the Colosseum and the Fori Imperiali; very well connected by metro(Metro stop: Colosseo) and bus, in a very quiet street, on the third floor with no lift, of a former popular building, apartment, that consists of: only one very large room with sofa , dining table on one side, two single beds on the other side of the room, in a corner. The tapestry of the long curtains at the three windows as well as the one of the bed covers is pink and beige.

Little fully equipped kitchen with four gas fires and oven, fridge.

Bathroom with tub.

The floor is in cotto tyles, the ceiling is roofing with wood girder.

The apartment is very bright, functional, comfortable and charmingly furnished.
